

Joint Conference of Restoration Branches Statement of Purpose

Who we are

The Joint Conference of Restoration Branches (JCRB) is a conference of people who share a belief in the distinctive message of the Restoration found in the Inspired Version of the Bible, Book of Mormon and Doctrine and Covenants, the authority of priesthood and the sanctity of the ordinances and the sacrament.

Our purpose

The purpose of the JCRB is to bring people into a covenant with the Father through Jesus Christ. We exist to spread the Restored Gospel of Christ, to assist in the gathering of the House of Israel, and to establish Zion, a city of righteousness, the New Jerusalem. We exist to provide a venue for the members of the Restoration to confer together to make decisions on how to carry out these purposes.
