

2017 General Conference

"Getting Ready For His Marvelous Work"

It is my pleasure to welcome you to the 2017 General Conference. The theme for this Conference is "Getting Ready for His Marvelous Work." The 2016 General Conference brought to us a revelation from the Lord saying:

"It is my will that all those who desire to be engaged in the marvelous work that is about to come forth be strengthened, united and prepared. Therefore, call my people to gather in repentance, faith and anticipation of the wonderful things which are to come to pass before you soon. For many prophecies are being fulfilled before your eyes that are warning you of coming events. Therefore my people must be prepared and united in faith and strength that they may overcome and be joyful witnesses before the world as my own." (Revelation April,2016)

This General Conference is structured to provide us all, the opportunity to repent and be strengthened in anticipation of the promised "wonderful things which are to come to pass ...soon." The speakers, classes and daily themes are all provided to maximize our time here so the General Conference attendees may have ample productive opportunities to grow in their preparation and anticipation of the Lord's Marvelous Work.

"Soon, if you are faithful to my words I shall perform a marvelous work among the children of men that shall turn their hearts away from division to a desire to be united as one body in faith and the joy of my Spirit shall be upon them and they shall see my promises being fulfilled before their eyes. Therefore, remain faithful and strengthen your love for one another and of Me, for such are My people." (Revelation April,2016)

There is no question in anyone's heart that the world is under siege by the forces of the Adversary attempting to stall the Lord's work among the children of men in these last days. It is therefore incumbent upon the Saints that we respond to His call affirmatively and with all our hearts and hands to remove those things which divide us so that His joy may be seen in our faces, our actions and reflected in our lives.

The revelation brought to the 2016 National Conference stated: "I call upon all my followers to be doers, and not just hearers of the word." We are here at this 2017 General Conference to become "doers of His words" and no more just "hearers." Let us come to this General Conference with renewed commitment to the work of His Kingdom. Let us revive our love for His promises and His words and share our love of one another, united in our faith.
