

## CONFERENCE REPORTS – Restoration Women’s Ministries

Committee: **Restoration Women’s Ministries**  
Chairperson: **Debbie Newman**  
Date: **March, 2017**

On behalf of the committee, we greet you in the name of our Lord and Savior Jesus Christ, with grateful hearts and a deep desire to serve Him.

The RWM Committee from its origin exists to provide ministry to women of all ages: from young ladies to mature women. Our mission is summed up in our moto: “***Working toward the Kingdom with a focus on Service, Education and Mentoring for women of all ages.***”

The Committee continues to support the JCRB when we meet for International Conference in April and the U.S. National Conference in October. During the quorum sessions we have provided opportunity for women to gather in fellowship for worship and discussion of the conference topics. We encourage women to engage in the conference discussions and activities. The Committee also provided a Women’s Banquet one night during the April conference. This gives opportunity for fellowship with women of many backgrounds as the invitation goes to all women of the Restoration.

Upon request, the committee will respond to the invitation to travel and provide ministry to women both in the U.S. and though out the world. In the last year, Committee members have provided ministry in the following ways: taught classes locally and domestic; corresponded with the women of the restoration in Malawi;; supported the start of three prayer groups that invite and include saints from other factions; support women and senior high students that will go to areas to pray for the people’s hearts to be opened prior to the priesthood visits; involved in fund raising for the “Widow’s Mite” that gives support to the widows in Kenya. When opportunity arises, as the Spirit leads we make efforts to fulfill the requests.

The Committee has developed another year of study: “I Am Kept for the Master’s Use.” This study contains 8 lessons plus an Advent Fellowship service for December. Every year the Committee strives to produce quality studies that promote women’s spiritual growth and response to build up the Kingdom of God.

As in the past, we continue to write a column in the BEACON with the hope that it strengthens our readers.

Though we know there are many challenges that lay before us, we also know that God provides a way to meet them. Our desire is that we hear His calling and respond to the opportunities He presents us in bringing service and ministry to our kindred Sisters.

Respectfully submitted,  
Restorations Women’s Ministries
