

2019 U.S. National Conference

“We're Marching to Zion”

Welcome

Saints everywhere love to join in singing "We're Marching to Zion." In the lyrics we hear the beckoning call to those that love the Lord to let their joys be known. We hear the invitation to join in a song with sweet accord, and in that manner, thus surround God's throne.

The chorus reveals where we would like to find ourselves when the congregation declares "We're marching to Zion; beautiful, beautiful, Zion. We're marching upward to Zion the beautiful city of God."

The act of marching, akin to that of an army or a marching band of musicians, gives a picture of people moving together in harmony, purposed of step. Able to ignore distraction and faithful to the sounds of a whistled battalion leader or a drum major's high step and whistled commands, we can visualize a group moving toward a destination together.

This conference will challenge us to overcome real life obstacles and celebrate the hope we have in Zion. We're happy you are here!

Our Mission as a Conference

(Approved during the 2016 U.S. Conference)

INTRODUCTION

The Lord has preserved the Americas as a “land of promise” and declared blessing or cursing upon this land based upon the response of the people. It is therefore incumbent on God-fearing people residing in the United States to strive diligently for righteousness and a valiant testimony of God and the Redeemer sent to give hope and a promised future to all who will enter in and keep covenant with Him.

GOAL OF THE U.S. NATIONAL CONFERENCE

The mission of the U.S. National **Conference** is to breathe revival into the Saints living within the United States; to strengthen their testimony, and to cast down the spirit of division that exists between people and Branches of the Restoration Movement. We seek unity with our Brothers and Sisters, regardless of affiliation, in furthering the work of the Restoration of the House of Israel, and will do this by cultivating righteousness, peace and joy in the Holy Spirit, that the Kingdom of God may be alive among us.

What can I do to help bring about revival in my branch?
